Hearthstone Rituals

*Hearthstone doesn't expect everyone to enter
in Perfect Love and Perfect Trust,
as you may not know many of the other attendees,
but to enter with a Willing Heart and an Open Mind,
and leave your differences at the door.*

Some traditions are more controversial than others, or may contain a component that confuses or disturbs someone attending an Open Full Moon ritual. It is one of the risks of exploring different traditions. Should anyone be uncomfortable with a ritual presented by Hearthstone, please discuss your feelings with the Ritual Leaders or one of the Board members (Amy, Catherine, Sarajane, and Arynne) so that we may hopefully resolve and heal your concern.

Hearthstone is a safe and sober environment. Please respect your fellow participants by not attending ritual under the influence of drugs or alcohol.

OPEN FULL MOON RITUALS

*Join us in person at the Althea Center, 1400 Williams St, Denver
Doors open at 7 pm, Announcements begin at 7:30 pm followed by ritual.
No late entry after 7:30.*

**UPCOMING HEARTHSTONE COMMUNITY CHURCH
OPEN FULL MOON RITUAL -**

September 29, 2023

Join Hearthstone for Open Full Moon ritual on Friday, September 29th at 7p.m.

The wheel has turned again, and the glory that is autumn is all around us. Cooler temperatures, snuggle weather, and our thoughts turning to winter. As we journey into the dark of the year, let's take a lesson from the trees around us and the way they change – and how they surrender to the inevitable.

Come join Hawk Shadow and Oak Haven to consider how we can learn to fall successfully – and when to surrender entirely.

**THANKS AND A TIP OF THE HAT
for the August 25, 2023 Ritual**

Hearthstone thanks Mary with the Gaia Ritual Circle for her moving and informative ritual centered around the Blue Moon on August 25th.

With volunteers to summon the quarters, Mary summoned the Goddess and God, before explaining the rarity and significance of the Blue Moon. She graciously provided stones to each person in the circle, then led us in a meditation on the moon to charge those stones with the energy we need for the coming season.

Thank you, Mary, for your wonderful Blue Moon ritual!

-- Catherine

Gods of the Mountains

The highly anticipated second installment of the Gods series follows Katie through the second phase of her life as she is thrust onto the front lines due to the COVID-19 pandemic. Her role as a school nurse in Colorado begins to evolve through the responsibility of safeguarding the well-being of her students and staff in the face of a relentless and novel virus. She immerses herself in her work as she navigates shifting regulations and protocols, where the line between safety and uncertainty blurs with every passing day. Because she was also on the disease reporting hotline, Katie began to eat, drink, and sleep COVID.

Amidst the chaos and unrelenting pressure, threats to Katie and her family's mental well-being emerge. She longs to visit her hometown but is unable to make the trip during the first year of the pandemic. To combat the mental fatigue, Katie and her family make trips into the Rocky Mountains. Katie makes a plea to their mysterious gods, asking for their help in fighting the anxiety and fear that is threatening to overwhelm her. Through nature, Katie and her family strive to emerge unscathed from the clutches of the virus.

General Community Information

Low-Cost Pet Cat Spay/Neuter & Vaccines & Free Spay/Neuter & Vaccines for Feral Cats [Spay/Neuter | Denver, CO | Dumb Friends League \(ddfl.org\)](http://ddfl.org)

The Dumb Friends League offers affordable spay/neuter services to all owned pet cats and feral/community cats. The details, locations, and qualifications are at their web site above. They are able to offer these services thanks to the generosity of donors. They recommend that tame, friendly cats without owners be taken to an animal shelter for adoption.

At this time DDFL is not able to provide spay/neuter services to dogs, for-profit breeders, or rescue groups.

It takes ALL of us to reduce the overpopulation problem and move toward a world where all pets are loved and cared for. Thank you!
